

## 2018 Medicare Premiums, Deductibles, and Cost-Sharing Amounts

Part A (Hospital Insurance)	Beneficiary pays:
Hospital Deductible	\$1,340/benefit period
Hospital Copayment	\$335/day for days 61-90
	\$670/day for days 91-150
Skilled Nursing Facility Copayment	\$167.50/day for days 21-100
Part A Premiums*	\$422/month for those with fewer than 30 quarters of Medicare-covered employment
	\$232/month for those with 30-39 quarters of Medicare-covered employment
Part B (Medical Insurance)	Beneficiary pays:
Annual Deductible	\$183
Part B Premium for those with incomes below \$85,000 if single, \$170,000 if married**	\$134/month
	Roughly 28% of beneficiaries who were subject to the “hold harmless” provision will pay less, as the increase in their Social Security benefits will not be large enough to cover the increased Part B premium
Most Part B covered services, including doctors’ visits, outpatient therapy, durable medical equipment, and outpatient mental health services***:	20% of amount Medicare approves

\* Most people with Medicare do not pay a monthly premium for Part A because they have (or a spouse has) 40 or more quarters of Medicare-covered employment (meaning they worked at a job where they paid into Medicare).

\*\* See November 21, 2017 [Federal Register](#) for an explanation of the “hold harmless” provision, and the Part B income-related monthly premium adjustment amounts (IRMAA) for people with higher incomes. Also note, Medicare Advantage plans may charge an additional monthly premium.
